Be EVM Proficient in 30 Minutes! Maxwell Owolade	Thrive! Build a Better Brain for a Better, Badder, You! Peter Ronayne	Systems Engineering methods in Project Management Dr. Mike Podolsky
Lunch Panel Discussion: Foundations of the Hampton Roads Economy <i>Vice Admiral David Architzel, USN (retired)</i> <i>Rear Admiral Craig Quigley, USN (retired)</i> <i>Rear Admiral Mark Hugel, USN (retired)</i> <i>Rear Admiral Dale Baugh, USN (retired)</i> <i>Larry (Chip) Filer ODU Economics</i>		
Federal spending accounts for approximately 1/3 of the Hampton Roads economy. Everything from real estate to retail is affected by the Federal presence in our region, but two industries stand out – ship repair and ship building. This panel will explore why these segments of our regional economy are important, what the future may look like, and how important project management is to these industries.
