

PMP® Prep

Project Management Professional Exam Preparation Course

Course Includes:

- PMI's Project Management Body of Knowledge, (PMBOK® Guide, 6th Ed.)
- Agile Practice Guide
- PMP® Exam Prep Textbook
- Reed's PMP® Exam Success Sheet
- Reed's PMP® Power Prep Student Guide
- Simulated Testing Software (to be used for up to 60 days post training)
- 35 Contact Hour Course Completion Certificate (Satisfies PM education requirement for PMP® application)

The Project Management Professional (PMP)® is the most widely recognized certification in Project Management, and the Reed Learning Institute's PMP® Power Prep will help get you certified. This course satisfies the 35-hour formal project management contact hours required by the Project Management Institute (PMI)® to sit for the Project Management Professional (PMP)® exam. It provides an in-depth overview of the PMBOK® Guide, Sixth Edition, including strategies for preparing for and taking the exam. We include a review of the material to ensure proper understanding. After the overview, an electronic simulated PMP® Exam will be provided (200 questions and a four-hour time limit). This approach provides the student with an environment similar to the PMP® Exam – a proven benefit!

Why Reed?

- Reed instructors are PMP® certified, have extensive real world experience, and are skilled in utilizing a variety of learning techniques in teaching students with diverse academic and cultural backgrounds, interests, needs, and abilities.
- All Reed delivered courses are fully vetted through a comprehensive quality assurance program, consistent with protocols established through PMI® as part of the R.E.P. program.
- The Reed Project Management Training for PMP® is one of the best exam prep courses in the industry, and as a result, the effectiveness of the course is guaranteed.
